

8 OZ. RETAIL

LOBSTER MEAT

Seamazz® North Atlantic lobsters are wild-caught in the cold North Atlantic waters and processed at the peak of freshness at our company-owned facility, Beach Point Processing. The stand-up retail bag showcases two frozen lobster meat portions through a rear viewing window. Lobster meat is ideal for pastas, salads and lobster rolls.

Features & Benefits

- All natural, wild-caught North Atlantic lobster meat is processed to the highest quality Seamazz® specification.
- Each retail bag contains two 4 oz., pre-cooked IVP portions.
- MSC certification ensures this product was wild-caught in a sustainable fishery and is responsibly handled throughout the entire supply chain.

Product & Master Case Info

Each 8 oz. retail bag contains (2) 4 oz. IVP portions.

Master carton pack: 18 x .5 lb. (9 lb.) or 6 x .5 lb. (3 lb.) case

Food for thought

Though considered a rich and decadent food, lobster meat contains fewer calories than an equal portion of skinless chicken breast. It also boasts healthy omega-3 fatty acids, potassium and vitamin E.
