ORANGE ROUGHY

MSC CERTIFIED PRODUCT
OFFERED WITH AVAILABILITY

Orange Roughy, a U.S. favorite, is sourced from the coastal saltwaters of New Zealand. Mazzetta Company primarily sells MSC (Marine Stewardship Council) certified product to ensure we are sustainably sourcing wild-caught product.

Features & Benefits

- Known for its delicate flavor that cooks up moist and flaky. This fish is ideal with light seasonings or sauces that don't overwhelm the tenderness of the fillets.
- The New Zealand Orange Roughy fishery is committed to sustainability, ensuring healthy stocks and reducing the impact on other species and marine habitats.

Source

Orange Roughy is a wild-caught product of New Zealand. Over 60% of the New Zealand catch is from MSC certified fisheries.

Graded Form & Master Carton

2/4, 4/6, 6/8, 8/12 oz. shatterpack fillets.
1 x 22.05 lb. (10 kg) master carton.

Food for thought

A 4 oz. portion of Orange Roughy is an excellent source of protein, containing 22g, while containing 0g carbs and just 90 calories. Orange Roughy is rich in vitamins such as the antioxidant vitamin E., Potassium & Calcium
