# SWAI

SEAMAZZ® Swai (*Pangasianodon hypophthalmus*) is a whitefish with a mild, delicate taste and firm, slightly flaky texture. This fish is a versatile entrée that works well with breadings, marinades, spice rubs and sauces.

## Features & Benefits

- Each portion is skilfully trimmed to remove 100% of the belly. This process removes any unnecessary, uncookable weight from the fish.
- Seamazz® Swai is Best Aquaculture Practices (BAP) certified. These standards address every key element of responsible aquaculture, including environmental responsibility, social responsibility, food safety, animal welfare and traceability.

## Product Form

Seamazz® Swai is available in 2/3, 3/5, 5/7, 7/9 & 9/11 oz. fillets. All fillets are IQF and packed in a 15 lb. (6.80 kg) master carton. Shatter pack may be available, please check with your salesperson.

## Country of Origin

Farmed raised product of Vietnam.

## Food for thought

*Swai is an excellent source of protein and contains no carbohydrates or trans fats. Because of its tender, white meat, clean taste and nutritional value, Seamazz® Swai is gaining popularity with cooks everywhere.*
