

16 OZ. RETAIL HADDOCK

Mazzetta Company is proud to introduce Seamazz® Haddock. Using the most modern equipment to preserve the outstanding texture and flavor of this versatile, sustainable fish.

Harvested by an American fishing fleet in American waters, we're sure you will be as proud to serve it as we are to offer it to you.

Features & Benefits

- Sourced, processed & delivered from our American plant, Seamazz® Haddock is a 100% American product.
- Uniting a once-frozen process with individually vacuum packaging ensures the freshest frozen product.
- Haddock is a lean, firm white-fleshed fish that is very adaptable to numerous recipes and cuisines, similar to cod.
- This 16 oz. retail packaging features a stand-up pouch, front nutritionals, large viewing window & various cooking recipes.
- Product traceability; all retail bags are labeled so a consumer can trace the product down the exact fishing vessel.

Master Case

- 10 x 1 lb. master carton. Dimensions (L x W x H) 17.25 x 15.0 x 3.50"

Food for thought

Haddock is one of the North Atlantic's leanest fish proteins. A 4 oz. haddock portion contains less calories, fat, cholesterol & sodium than a portion of skinless chicken breast.
