

# NORTH ATLANTIC LOBSTER MEAT

SEAMAZZ® lobsters are wild caught in the cold North Atlantic waters and processed at our company owned facilities in the United States and Canada. Our large variety of lobster meat enables consumers numerous entree options including lobster rolls, salads & soup.

## Features & Benefits

- Mazzetta Company operates in-house facilities for product sourcing, processing and supply chain distribution. A perfect system to deliver a high quality, consistent product.
- All lobster meat is vacuum packed to retain freshness.

Mazzetta Company is proud to offer one of the largest arrangement of specifications available:

- CK (Claw, Knuckle)
- CKL (Claw, Knuckle, Leg)
- TCK (Tail, Claw, Knuckle)
- CKLM (Claw, Knuckle, Leg, Minced)
- Broken
- Claw
- Knuckle
- Leg
- Tail
- Minced

## Food for thought

*While considered a rich and decadent food, lobster meat contains fewer calories than an equal portion of skinless chicken breast. It also boasts healthy omega-3 fatty acids, potassium and vitamins E, B-12 and B-6.*
