Seamazz® Atlantic salmon (*Salmo salar*) are farm raised in one of the most optimal & sustainable ecosystems, the fjords of Norway. This clean, clear environment ensures the salmon maintains its naturally high fat & oil content, resulting in great taste & texture.

Features & Benefits

- Fully cooked, boneless, skinless, grill-marked salmon portions that come prepared and ready to serve after thawing.
- This ready-to-eat portion is great as-is or to create additional value to sandwiches, salads, and wraps. Each portion is evenly cooked and can be served cold or reheated.
- Our antibiotic-free Atlantic salmon adheres to strict farming legislation to provide safe and sustainable Atlantic salmon.

Graded Sizes & Packaging

- Graded sizes: 3 oz., 4 oz., 5 oz. & custom portion sizes available upon per customer request. Vacuum packaging is easy to open with pre-peeled corners for quick & convenient opening.
- Master carton: 1 x 10 lbs.

Country of Origin

- Harvested in Norway, processed in Poland.

Food for thought

One 4 oz. portion of Atlantic salmon provides the complete daily requirement of Omega-3, which studies have shown to be beneficial in protecting against heart disease.
